

To whom it may concern

*Letter of recommendation for **Promostal Sp. z o.o. Sp. K.***

Bladt Industries A/S has during the past year ordered steel constructions from Promostal. All the works were carried out in accordance with our requirements and our satisfaction.

The various orders have ranged from fully welded rather heavy constructions to lighter truss construction and it is my understanding, that Promostal is fully competent in all these areas.

Should you have any queries regarding this matter please feel free to contact me, address and telephone number can be seen below.

Best regards

Jacek Kowalczyk
