

REFERENCE LETTER

We hereby confirm that A-L STAAL A/S cooperate with steel construction factory – PROMOSTAL – situated in Czarna Białostocka.

Despite that the company's history is very short, the firm started activities in year 2008, we knew, taking into account our previous business contact, that PROMOSTAL is a solid and verified contractor.

During the year 2008 we realized two contracts together.

All ordered by AL STAL works are carried out duly and with high quality level. All mentioned above allow us to recommend PROMOSTAL as a solid and reliable business partner in the range of project realization on steel construction market.
