REFERENCE

Veidekke Entreprenør AS had the pleasure of working with Promostal on Cranemaster project in Stathelle, Norway.

Promostal was subcontracted to the following scope of work:

- manufacturing of steel structure
- assembly of steel structure
- assembly of sandwich panels + flashings
- assembly of TRP roof plates
- windows and aluminum facade

Veidekke found Promostal to be an outstanding subcontractor. They exhibit the finest qualities in terms of primer product, work, flexibility and efficiency in management. Promostal performed they work safely and solved the tasks and challenges at the project in an excellent way. Their management was very engaged in the project, helping to solve any problems that occurred during the course of construction.

Veidekke is looking forward to be working with Promostal in future projects.

Med venlig hilsen,
