

To whom it may concern

Letter of recommendation for Promostal Sp. z o.o. Sp. k.

We hereby confirm that Promostal Sp. z o.o. Sp. k. was our subcontractor in the scope of manufacturing internal Platforms for the **Walney Extension offshore wind farm project**.

The works of Promostal included all the works for correct execution and complete finishing (galvanizing) of the internal platforms:

- Termination platform
- Upper internal platform,
- Lower internal platform
- Upper ladder
- Lower ladder

The project was executed from May 2016 until December 2016. The total weight of the steel structure executed by Promostal included HDG was 138 112 kg.

In general Promostal have performed very well and has been flexible, theirs technical knowledge and experience have been helpful throughout the project and we have received a good quality.

Med venlig hilsen/Best Regards
