REFERENCE

We hereby confirm that Promostal Sp. z o.o. sp.k. took part in realization of the V754, Bro Over Delangersan project in Nasviken, Sweden in scope of execution, deliver and on site assembly of steel structures.

We certify that Promostal executed the works on a high quality level and the performed services met all the required standards in the production and assembly of steel structures. Promostal showed flexibility, willingness to help and solve problems, technical and schedule-wise. Fully convinced, Svevia AB may recommend Promostal as a reliable business partner for steel structures execution and assembly.

Sincerely,

A handwritten signature in blue ink, appearing to read "Marcus Sjödin".
