Aalborg 11.01.2022

Subject: Letter of Reference.

Promostal references Novawood. rev01

To whom it may concern.

We hereby confirm that Promostal Sp. z o.o. sp.k. took part in realization of the Novawood project in Laneuveville-devant Nancy, France, in scope of execution, delivery and on-site assembly of steel structures for a new biomass power plant.

We certify that Promostal executed the works on a high-quality level and the performed services met all the required standards in the production and assembly of steel structures. Promostal showed great flexibility, willingness to help and solve problems, technical and schedule-wise. Aalborg Energie Teknik a/s recommends Promostal as a reliable business partner for steel structures execution and assembly.

Best Regards

Aalborg Energie Teknik a/s
