REFERENCE

We hereby confirm that Promostal Sp. z o.o. Sp. k. took part in realization of the Yeu-Noirmoutier project. The scope of work was execution and delivery of 61 sets Bolted Internal Platforms for a new wind farm located off the coasts of the Pays de la Loire.

We confirm that Promostal executed the works on a high quality level and the performed services met all the required standards in the production and assembly of steel structures. Promostal showed exceptional flexibility, willingness to help and solve problems, technical and schedule-wise. Fully convinced, Smulders may recommend Promostal, as a reliable business partner for steel structures execution and assembly.

Sincerely,

Filip Corten
Project Manager
